## **WORK EXPERIENCE**

### **Event Security Guard**

**July 2019 — Present**

*Northwest Protection Services*

Currently working as an Event Security Guard for Northwest Protection Services. Worked at many events for major venues such as Budweiser Stage and Scotiabank Arena. Some responsibilities that an event security guard has are as follows:

- As a security guard I would patrol the venue to monitor the event and maintain order.
- Attendees would be escorted out of events if they are causing a disturbance which would be followed up by a report at the end of that shift describing that situation and the steps I took to resolve it

### **Information Officer**

**October 21<sup>st</sup>, 2019**

*Elections Canada*

Worked during Election Day in 2019 as an Information Officer for Elections Canada. Some responsibilities that an information officer has during the elections are as follows:

- Monitoring the Event
- Maintaining Order

### **CNE Ride Operator**

**August 2018 — September 2018**

*Summer Job*

Earned a summer job at the Canadian National Exhibition from North American Midway Entertainment. Worked and operated a ride called the Euro Slide and learned many different skills on the job, some of which are:

- Collecting Money
- Collecting and Stocking Produce
- Operating Ride
- Providing Customer Service

## **EDUCATION**

George Brown College

**September 2018 – June 2021**

Riverdale Collegiate Institute

**September 2014 – June 2018**
